

Overseas Visitor Health Cover (OVHC)

Hospital Care Workers

OVHC helps pay for medical costs for international workers and visitors.

Why choose Allianz Care Australia?

Flexible policy options

Select cover best suited to your budget and health needs with our range of OVHC policies.

Meets Australian Government visa requirements

Our OVHC policies meet the Australian Government requirements for adequate health insurance (visa condition 8501).

Excludes Value Care.

24/7 Emergency helpline

We are ready to help whenever you need us with our 24/7 emergency assistance service for members.

Allianz Care Online Member Services

Manage your policy, submit claims, make payments and update your details at the touch of a button with Online Member Services.

Hospital Care Workers

Our most affordable in-hospital cover to meet visa requirements. If you're seeking coverage for services provided outside of hospital—such as visits to general practitioners (GPs), specialists, or for pathology and radiology—you may wish to consider a higher level of cover that includes out of hospital benefits.

Note: If you hold a Hospital Care Workers policy and your attendance at an accident and emergency department does not lead to you being admitted as an inpatient, no cover is provided under your policy.

Product inclusions

SERVICE	WHAT IS COVERED [^]
Admitted hospital treatment and accommodation	100% of insurable costs
Emergency ambulance	100% of the charge for transport by an ambulance provided by or under an arrangement with an approved ambulance service.
Medical repatriation (Cover for repatriation to your home country in the event of serious illness, injury or death)	Up to a maximum benefit of \$20,000 per policy

[^] Waiting periods, exclusions, limitations and terms and conditions apply. See the policy document for details online at allianzcare.com.au

Pre-existing conditions

A pre-existing condition is defined in our policy wording documents as:

- the person has an ailment, illness or condition; and
- in the opinion of a medical practitioner appointed by us, the signs or symptoms of that ailment, illness or condition existed at any time in the period of 6 months ending on the day on which the person became insured under the policy.

Medicare Benefits Schedule (MBS) fees explained

The Medicare Benefits Schedule (MBS) is a list of medical services (e.g. a standard consultation with a GP or surgery in hospital) subsidised by the Australian Government with a fee (known as a 'schedule fee') payable for each item.

The schedule fee is the amount the government considers appropriate for one of these services and determines the amount that Australians receive when they claim a medical service through Medicare.

Visit mbsonline.gov.au for more information.

Out of pocket expenses

You must pay the difference between the benefit we pay under our policy and the actual fee charged by a medical provider, known as an out of pocket expense. For example, if you are charged \$60 and your OVHC policy benefit is \$42.85, your out of pocket cost would be \$17.15. Please note you cannot claim any out of pocket expenses under your Allianz Care Australia OVHC policy. Please refer to the applicable policy wording document for an overview of product benefits at allianzcare.com.au/en/policy-wording-documents.

Waiting periods

The following waiting periods apply before these services are covered under your policy:

SERVICES	WAITING PERIOD
Psychiatric, rehabilitative or palliative care	2 months
Pregnancy or pregnancy related conditions	12 months
Pre-existing conditions	12 months

For more information refer to the applicable policy wording document at allianzcare.com.au/en/policy-wording-documents.

Hospital excess

The excess is the amount you must pay upfront before a benefit is paid by us for overnight or same day hospital admissions under your policy. The excess is payable once per adult per financial year (1 July – 30 June).

If your policy has a hospital excess payable, you will need to pay the excess amount towards your hospital treatment costs before we will pay any benefit.

For more information refer to the applicable policy wording document at allianzcare.com.au/en/policy-wording-documents.
